TRIALOG

▲ **PURPOSE**

Dual learning demands a communication tool, which clears out the expectations of the schools and companies. In an Erasmus + meeting in Rome, participants of Italy, Romania, Germany and Belgium found common ground to develop an application to step up to the demands of dual learning.

▲ **AIMS**

NO BARRIERS

An app is a user-friendly well known instrument with youth and adults.

DIRECT AND POSITIVE FEEDBACK

The app wants to bring the feedback directly and in a positive way to the student.

COMMUNICATION

The app brings the communication between students, teachers and mentors in a swift way, thanks to a messenger function.
